

33 YEARS SERVING THE BUNINYONG COMMUNITY

For 33 years, Bob Odgers has been the school crossing supervisor for Learmonth Street. During those 33 years, he has thoroughly enjoyed meeting and caring for the kids as they have made their way over the busy highway. In the early days Bob knew every child's name and although now he doesn't know all of the names, he never forgets a face! One of the great things that Bob loves about the job is the respect that he is shown from the kids. He puts this down to the wonderful parents that we have in our community.

Bob has seen a lot of changes over his career with the traffic increasing enormously. His big concern now is for the many kids who do not use the crossing. Bob is worried that an accident is just around the corner and would like for all parents to remind their kids to always use the school crossing.

Bob knows Buninyong well. His family has been in the district since 1853. Bob attended Buninyong Primary with his 4 sisters. His children also attended Buninyong Primary and so too have many of his family members. The Buninyong Primary School would like to pay tribute to the wonderful dedication and commitment that Bob has shown during his career to date....enduring 33 winters is an amazing effort. Congratulations and well done Bob.

COUNCIL DIRECTOR MEETS ON VILLAGE SIGNAGE

The Ballarat City Council's Director of Growth and Development **Eric Braslis** came to Buninyong earlier this month to discuss township signage with a Buninyong Progress Association working group.

The BPA group had compiled a detailed study and report of existing township signage and had made numerous recommendations concerning a major upgrade to way-finding, place name and other signage in Buninyong.

Group convenor **Barry Fitzgerald** said that by any standard, local signage was "an uncoordinated mess".

Mr Braslis said that he was undertaking a comprehensive examination of signage across the city and that the Buninyong report would "prove to be invaluable". He said that in coming into Buninyong he had noted the poor condition of the entrance signage.

At the August meeting of the Progress Association it was agreed that the President **Ian Salathiel** would consult with a local leading industrial designer who had indicated willingness to assist with community projects, to discuss development of some concept plans for entrance signage

Consultant appointed

TRAFFIC IMPACT STUDY GETS UNDER WAY

After two years of lobbying by the Buninyong Progress Association, VicRoads has announced that a consultant has now been appointed to undertake a Traffic Impact Study for Buninyong.

The project, jointly funded by VicRoads and by the Ballarat City Council, is required to be completed within three months.

The study came about because of the BPA's concerns about the impact on the Buninyong community of increased traffic volumes from the new Ballarat Growth Zone and the Ballarat West Employment Zone which will be funnelled onto the Midland Highway at Magpie from the new Western Link Road.

The consultant will be required to report on the following

- (i) the additional traffic volumes, including heavy vehicles, on the Midland Highway through Buninyong, that might be attributed to the Ballarat West Growth/Industrial Zone for each stage of their development
- (ii) determine the increased traffic, including heavy vehicles, attributable to growth in travel between Geelong and Ballarat for the year 2020

(iii) estimate traffic growth on the Ballarat-Buninyong Road for the year 2020 taking account of the likely residential, commercial and institutional development

(iv) examine access arrangements to/from the existing service roads on the Midland Highway east of the Ballarat-Buninyong Road and recommend any improvements

(v) assess pedestrian demands/desire lines in the Buninyong township and make recommendations for the provision of new or the upgrading of existing pedestrian crossing facilities

(vi) make any other suggestions that might contribute to improving road safety and amenity in the township.

Although the matter of a possible by-pass road for Buninyong is not included in the above study, VicRoads has noted the Progress Association's request that some planning to determine possible east-west by-pass routes of the town be initiated.

BPA President **Ian Salathiel** said that the Association was "extremely pleased" at the action taken by VicRoads and the Council to look at the traffic problems in Buninyong. "Traffic is fast becoming a problem here, and seems certain to get worse in future years " he said.

TOWER GROUP PULLS OUT OF VCAT APPEAL

Crown Castle, the company which proposed the erection of a 40m telecommunications tower in Macs Road, Buninyong, has withdrawn its appeal to VCAT against Ballarat City Council's decision to refuse a planning permit.

Following a strong community campaign objecting to the tower, Council had unanimously rejected the Planning Application at its February 2012 meeting, and Crown Castle immediately lodged an appeal with VCAT.

The Council and five local residents indicated to VCAT that they wished to appear to contest the Crown Castle application.

Advice recently received from the Melbourne law firm representing Crown Castle indicated that their client had applied for leave to withdraw from the VCAT proceedings, and that they had been instructed that "*our client no longer requires a telecommunications facility in this location at this time.*"

SCOTSBURN CAMPUS OF BUNINYONG PS

Prime Minister's Challenge

Students in grade 3-6 were registered in the Prime Minister's Challenge which encouraged sport participation for young people. They participated in a variety of sporting activities adapted from Olympic sports and competing for bronze, silver and gold certificates. Students collected their data of sport activity in and outside school, and filled in online weekly updates onto the site. Students have participated in adapted volleyball, handball, soccer and badminton activities. Scotsburn received a \$500 sporting voucher from Hartsport which we appreciated very much. We have been able to purchase a variety of sporting equipment to add to our PE program.

Swimming program

During August, the students participated in a swimming program at the Ballarat University Pool. The students enjoyed the 5X 45minute sessions.

South Street Debating- A team of 5/6 students participated in the South Street Debating competition. Our topic was that Jumps Racing Should Be Banned. We argued for the negative side. The students did a great job with their arguments and spoke clearly to their audience.

Buninyong Primary School Concert

Buninyong Primary holds a concert every second year and on August 23rd & 24th sold out 2 concerts at University of Ballarat's Founders Hall.

This year's theme was Rock Through the Ages and covered music and dance from the 50s through to the current decade.

The concert was a huge success, serving as a successful fundraiser and community event. Best of all, it provided an experience that the children will never forget.

A big thankyou to everyone who supported our school by helping to put the show together and/or purchasing tickets.

Legacy Work Continues in our Communities

The recent tragic death of five Australian Diggers in Afghanistan has focused the ongoing support that Legacy will provide to their young widows and children. Legacy provides educational assistance for children up to 25 years and a range of support to the widows in the years ahead.

Each year during the first week of September the community is encouraged to support the work of

Legacy by buying a badge from Legatees on the street or from the corporate boxes located in local business.

Ballarat Legacy has supported its widows and their children since 1926 and now cares for 1300 widows and eight children.

Across Australia Legacy makes assistance available to some 115,000 widows, 1900 children and dependants with disabilities.

President of Ballarat Legacy Legatee Ron Fleming thanks the Buninyong community for its generous support and the assistance from Foodworks and Buninyong Newsagency in hosting corporate boxes. Legatees were present at the University of Ballarat and in the Buninyong community.

Legacy work in the Buninyong community is supported by L/ W Akel, V Bradley, R Permezel and R Fleming.

The genus *Rhipsalis*

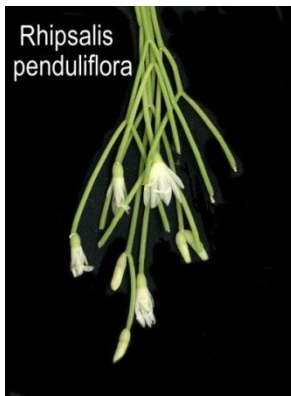

This tropical epiphytic genus is named from a Greek word meaning 'wicker-work' referring to the slender pliable branches of the typical species. Whilst most are found in America a few are found in Africa, Madagascar and Sri Lanka. The theory is that they may have been introduced from seed eaten by migrating birds. The photograph left shows like *Hoyas* and *xEpicactus* they grow thru hanging basket chains, squeeze thru narrow openings and in this case Shade Cloth

Whilst I grow a few in hanging containers outside most are in shade houses protected from the winter rains. I have been delighted with their ease of growth and captivated with the small yellow or white flowers. Perhaps my favorite is

Rhipsalis penduliflora (below) I love the long slender stems and the white flowers and its ease of

growth once established. It is a native to Brazil and surrounding areas. The flowers are white in colour and produced from the ends of short shoots. One book tells me it grows to 15 centimeters long but mine would hang to at least three times this length.

As many as four species are found in Madagascar. Contrary to the general belief all cacti originate from either North or South America. ***Rhipsalis*** is the only cactus genus to be distributed in South and East Africa, Madagascar and Sri Lanka.

An interesting genus not as spectacular as *xEpicactus* but shows much more diversity in their shape and the flowers although small are rewarding. Noel Main Ballarat Cactus Society

BUNINYONG SENIOR CITIZENS CLUB

We were pleased to welcome a new member to the club at our meeting on August 28th and hope she will enjoy the time spent with us. Any other senior or semi-senior person who would like to join us would be happily received too. Following the resignation from the executive of Alan Westrup and Phyllis McCutcheon these positions were filled by Mr David Littlejohn, Mr Vic Bradley and Mrs Chris Brookes. Mrs June Harbour and Mr Ron Males retain their executive places of the past year.

Our day trips or the extension of these are always well planned and much enjoyed. A number of us are now looking forward to the three day trip that will take us to Phillip Island early in October.

In September our small antiques competed for the placings in the monthly competition. October's competition is for a souvenir from overseas and hopefully will evoke much interest. I'm sure we all have a number of things in our homes that other of our Seniors would like to see. Do bring them along on the 23rd please.

Our next day trip is to Avoca on September 26th. Bookings to be made with Vic promptly. Next General meeting in the club rooms 1pm on 11-9-12. May we count on seeing you there? In the meantime keep well, keep happy and remember our motto: "We will wear out, not rust out."

CHERRY BLOSSOM TIME

Japan's famous cherry blossoms are blooming in Buninyong! Inspired by his 4 years living in Japan, graphic designer and photographer Durham White and Japanese friend Kyoko have launched their Cherry Blossom Sakura designer range at their newly-established awaking-dreams Gallery and gift shop at the former Zuni Gallery. His graphic design is vibrant and beautiful. Not only are there delightful gifts and homewares but also you can sample their absolutely lovely cherry blossom tea - one of their range of natural and different products. Durham says he aims to create a "Fusion of the environment

and nature in harmonised offerings of conceptual art". His exquisite boutique range is, however, sensibly priced. Save yourself a trip when you need a gift or want to spoil yourself! Buninyong has that special something with an Australian or international flavour, beautiful and with positive energy.

NEWS ABOUT TOWN

AUGUST'S COVER & BIRTHDAY LUNCH

The front cover for August shows some of the newsletter's volunteers completing the collation of the last few pages of the July edition, our final paper copy, in the Old Library Information Centre in Warrenheip Street Buninyong. From the left: Judith Lewis, Loren Garlick (using an electric stapler), Dot Lorensene, Bob Marty, Ann Gooding, Peter Carter, Doris Carter, Helen Stephens, Coral Whyte, Jan Marty and Meryl McLeod. Out of photo in the nearside right hand corner near the blazing open fire was Betty Schreinzer and manning the other electric stapler, Lance Lewis.

A group of 26 volunteers enjoyed a very pleasant lunch at the Buninyong Golf Club on Thursday 9th August. Staff member Kaye made us a magnificent Maltesers Birthday Cake and we sang loudly to mark the occasion. Peter Carter and Betty Schreinzer held a ribbon across a laptop displaying the front page of the August online edition and Karen Hulston and Ann Gooding launched the News into the cyber world.

Thank you to the Buninyong Golf Club for a lovely afternoon in the Terrace Room, we enjoyed it very much.

PETER INNES TO STAND FOR BALLARAT COUNCIL IN NOVEMBER ELECTIONS

Peter Innes has announced his intention of nominating for Council in the November elections. Peter has previously had experience on the Buninyong Shire Council and after amalgamation of local shires, the City of Ballarat Council. After a break of four years he is ready to be of service to his community again and hopes to put the local back in to local government. This item appeared in *The Ballarat Courier* 28th August 2012 page 9.

PETER GLOVER AND HIS BIG FISH

Barb & Peter Glover of Mt Helen had a recent holiday to Norfolk Island where Peter went charter fishing. He is featured in Fishing with Pedro's column on page 36 of *The Ballarat Courier* August 31st 2012 holding up one of his several catches of the day. We believe that Fresh Fish of the Day was on the motel's menu that night.

FESTIVAL OF MOTORING

The *Golden Plains Miner* August 30th 2012 had a splendid front colour page advertising the Festival of Motoring. The photo had a beaming owner/driver Brendan Collier and very happy festival organiser John Emery sitting in a bright yellow 1928 Ford ready for take off in the procession from Buninyong to Ballarat on the morning of 25th August. About 20 cars of various ages created a lot of interest while parked at the front of the Town Hall in Buninyong before sweeping around the roundabout and tackling the Mt Helen hill on their way in to Ballarat. The festival continued through the next week with a Motor Show & Model Expo of historic sports and racing cars in the Ballarat Mining Exchange, a cocktail reception, reunion dinner, Show & Shine and racing on the airfield racing circuit. Congratulations to John and his organizing committee for a very successful festival.
